thebehaviorhub/](https://www.facebook.com/thebehaviorhub/)**

**Old Battle. New Strategies.**

### **Mission:**

*Promoting emotional growth through collaborative problem solving that elevates the way individuals communicate with children.*

The Behavior Hub provides a full range of outpatient behavioral health and communication services to children, adults, families, childcare staff, and educators. Our therapists are highly trained and experienced providers who are licensed in the state of PA in their specialties.

Our therapists provide a wide range of services to all age groups including prosocial, de-escalation, and self-regulation skills as well as behavior management, interpersonal communication, and anxiety/depression coping skills.

**Core values**  
Communication  
Connection  
Collaboration

## Appointment information:

### **Contact us**

Before we can schedule your first appointment, we will conduct a telephone or email intake.

To expedite your registration when you come to our office, you may click on our “Forms” page so that you can print and fill out paperwork ahead of time. Bring these forms and they will be collected when you arrive. This is optional as you can also do so prior to seeing your therapist at your first appointment. Please arrive 10 minutes earlier than your first scheduled appointment.

Once we have the necessary information, someone from our office will contact you within 2 to 3 business days to schedule your first appointment.

### **Fees**

Our fees are established on an hourly or per session rate, and all services are billed on the basis of time. This includes services such as:

Initial interviews  
Assessments  
Observations

Consultations  
Preparation of reports

We are a private pay organization. In the event you face financial difficulties with the payment of your bill, please discuss your circumstances with your therapist.
